

EXODUS - WEEK #8

THE LORD PROTECTS

Exodus 11:1-12:32

THINGS TO THINK ABOUT

1. I wonder why Pharaoh wouldn't let the people go, even after all the miraculous signs God had done through Moses?
2. I wonder how scared the Hebrews were that night as they waited for the terrible plague to come to the city? I wonder what they were doing that night as they waited?
3. Waiting is always hard. I wonder what kinds of things we can do when we are waiting for something – good or bad – to help us make it through the time?

MY PRAYERS FOR THIS WEEK

BEDTIME BLESSING

May you know that you are loved by God and by your family
May you feel God's protection and lean into his strength
Today and always!

NEXT WEEK: Exodus 17:8-16

Pharaoh wouldn't let the Hebrews go, no matter how many wonders God performed through Moses. So God told Moses there was one more terrible plague coming. Every home would lose someone they loved. But God's people would be protected, as long as they trusted and obeyed him. God protected the people.
