

JUDGES & KINGS - WEEK #14

THE LORD SUSTAINS

1 Kings 17:1-24

THINGS TO THINK ABOUT

1. The reason there was a drought in the land was because the people were disobeying God. I wonder why it was so important for them to learn to trust God?
2. I wonder why the widow trusted Elijah when he said God would make sure the food didn't run out?
3. The widow's flour and water wouldn't run out. That means they were able to keep making more and more bread! I wonder what story this reminds us of from the New Testament? I wonder how these stories are related?

MY PRAYERS FOR THIS WEEK

BEDTIME BLESSING

May you know that you are loved by God and by your family
May you trust the Lord to carry and sustain you
Today, tomorrow and always!

NEXT WEEK: 1 Kings 18:16-39

One day God told Elijah the prophet there would be a drought - no water in the land! But God sustained Elijah by bringing him food and water. Elijah met a widow and her son who were about to run out of food. "Your food will never run out as long as I am here," he said. And just like he said, the food didn't run out. God sustained them!
