

## JUDGES & KINGS - WEEK #15

### THE LORD IS GOD ALONE

1 Kings 18:16-39

#### THINGS TO THINK ABOUT

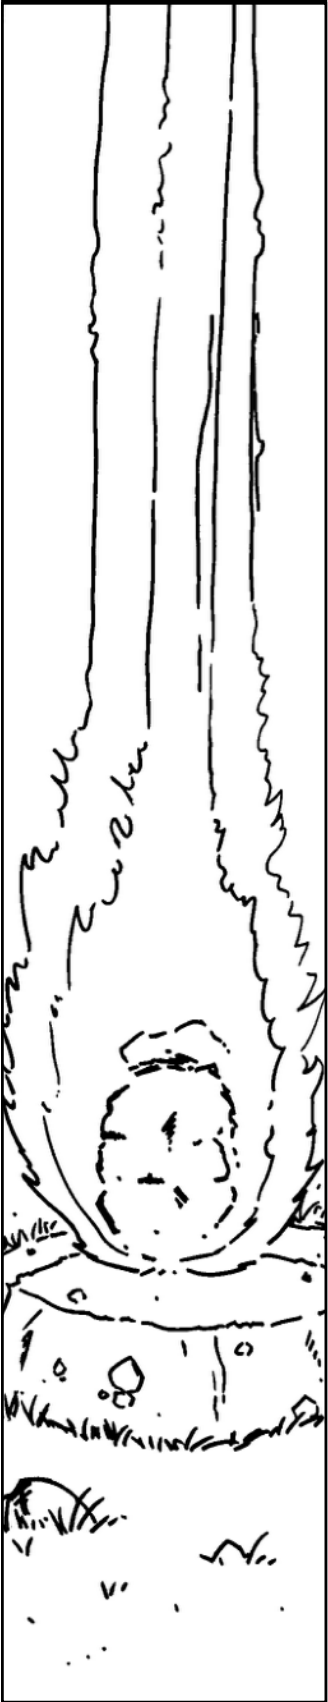

1. I wonder if the prophets of Baal realized he wasn't a real god after he couldn't even light a fire.
2. I wonder why the people started worshipping a fake god instead of the real God they already had? I wonder what kinds of fake promises the prophets made about Baal to tempt them?
3. I wonder if we are ever tempted by things that aren't good for us, and that God wouldn't want for us? I wonder why we sometimes choose those things over God?

NEXT WEEK: 1 Kings 19:1-21

The people were worshipping a fake god named Baal. So Elijah challenged Baal's prophets to a contest. They built two altars for sacrifice. Whichever god could light the fire was the real god. Baal's altar did nothing. Then Elijah covered God's altar with water. And the Lord **STILL** lit it on fire. Because the Lord is the only true God.
